Ariens

2015 LAWN & GARDEN CATALOG

YOUR LAWN PERFECT FROM START TO FINISH

A WORD FROM DAN ARIENS

CONTINUING THE LEGEND

For many of us, those hours of digging into a landscape project is a refreshing escape from your cell phone, email and the weekly grind. Whether you're mowing a large yard or touching up a small edge, you should expect your lawn equipment investment not to interrupt those few precious hours of "Your Time."

The smell of fresh cut grass on a summer afternoon. The pride in a beautiful yard. The satisfaction of a job well-done. Our family pride comes from knowing we can assure you these important pleasures of life.

When you choose an Ariens product you become family and part of our rich 80-year family heritage. When my great-grandfather Henry Ariens started building equipment in 1933, he built durable products designed to be reliable year after year – generation after generation. Today we continue to live by the standards that my grandfather set when he began the Ariens Company.

Our company vision is simple. Passionate People, Astounded Customers. You can rest assured that Ariens continues to manufacture products with the same drive for quality and respect for our customers that began in the early days. We do this with a single goal in mind – so you can pass the power of our equipment on to your next generation.

Welcome to the family!

Dan Ariens
President & CEO

TABLE OF CONTENTS

HIGH PERFORMANCE LANDSCAPE SOLUTION

Quality components and robust construction are essential to achieving a pristine, flawless landscape. Whether the challenge is a sprawling estate with acres of property, family cottage with decorative surfaces and rustic wood burning fireplace, Ariens Company is proud to provide an exceptional lineup of landscape solutions engineered to make your home beautiful for generations.

Exceptional durability. Reliable performance. Unsurpassed results. Backed by industry-leading warranties, Ariens Lawn & Garden lineup offers a wide range of landscape solutions engineered to suit the diverse needs of today's consumers.

Every piece of Ariens equipment is engineered to be rugged and reliable with emphasis on the highest American Craftsmanship standards to ensure years of legendary performance.

Unsurpassed design. Unrivaled guarantees. Every Ariens product comes backed by a 3-year warranty supported by an extensive independent dealer network.

THE FAMILY STORY

HERITAGE & INNOVATION

Over 80 years ago, a spark flew and a legend was born when Henry Ariens alongside his three sons — Steve, Leon, and Francis — created the first American-made rotary tiller. At a time when others experimented with foreign equipment, they stood at the forefront of innovation determined to innovate exceptional solutions to overcome the agricultural challenges of their era. Through years of hard-work, education, and perseverance, Henry and his sons revolutionized agriculture across the Country by providing exceptional, long-lasting products that empowered commercial growers like never before.

Today, Ariens Company proudly carries on a rich legacy grounded by American craftsmanship while fusing it with leading designs and manufacturing capabilities you can depend on generation after generation. Designed, fabricated, and assembled under world-class Lean manufacturing principles, Ariens products feature only the best quality components from thick, all-steel frames to robust engine options. At the core of the Ariens Company vision is a quest to astound its customers which is why every product is passionately overbuilt to provide unsurpassed results and longevity. For outdoor equipment to make your yard beautiful, the solution is simple — turn to Ariens, a heritage of American craftsmanship and innovation trusted for over 80 years – turn to the Ariens family.

MAX ZOOM® SERIES

Engineered with excellence. Manufactured for yo

Available with a 48", 52", or 60" deck size, the Ariens Max Zoom series is ideal for homeowners looking to overcome the challenges of large yards and varying landscapes. Features include robust components, Hydo-Gear® transaxles, and a fabricated 4-point commercial deck for long-life and a flawless finish in a fraction of the time it takes with other mowers. Supported by a 3-year limited consumer warranty and a 5-year deck shell and frame warranty, the Ariens Max Zoom is an exceptional value manufactured to provide years of reliable performance.

MODEL OVERVIEW:

Max Zoom®	Model #	Kohler® 7000 Twin	Kohler® 7000 Pro Twin	Cutting Width	Ground Speed (Fwd/Rev)	Fuel Capacity
Max Zoom® 60	991087	•	25 HP/ 725 CC	60"	8 MPH/4 MPH	6.0 GAL. / 22.7 L
Max Zoom® 52	991086	23 HP/ 725 CC	•	52"	8 MPH/4 MPH	6.0 GAL. / 22.7 L
Max Zoom® 48	991085	22 HP/ 725 CC	•	48"	8 MPH/4 MPH	6.0 GAL. / 22.7 L

4-Point Commercial Deck Hanging System delivers a level of durability found only on professional mowers.

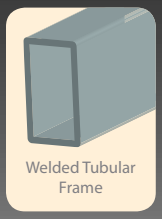
10-gauge fabricated deck with 3/8" reinforced leading edge and maintenance-free cast iron spindles ensure lasting strength and durability.

Fully Adjustable Control Arms with three mounting positions accommodate operators of all sizes. Vibration isolators increase operator comfort while flip out handles allow for safe, quick, easy access to and from the operating position.

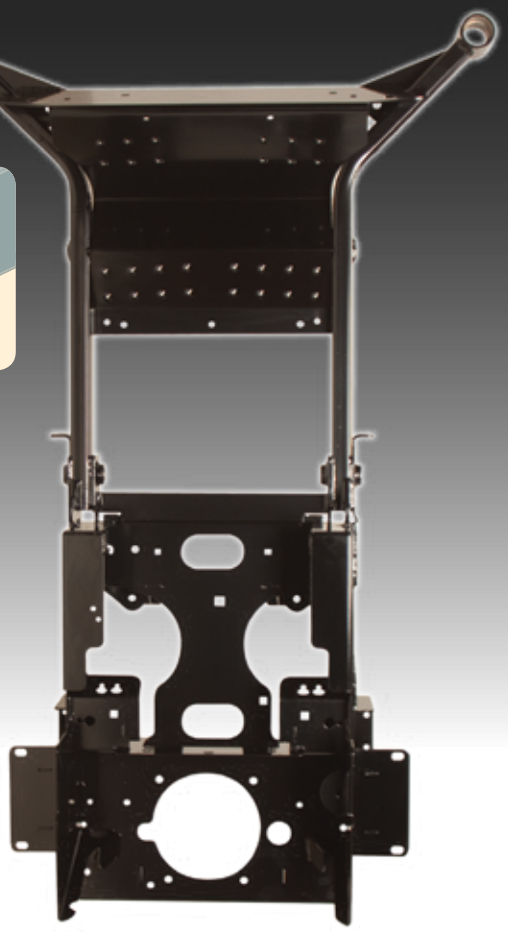
Choose from **9 cutting positions** ranging between 1" to 5" to achieve the results you desire.

Approximate maximum speed of **8 mph forward and 4 mph reverse**.

Similar to commercial-grade mowers, a **welded steel frame with tubular structure** creates strength and rigidity serving as the backbone of the mower.



Welded Tubular Frame



Hydro-Gear® ZT-3100 Series Transaxles offer increased torque/load capacity as professional mowers.

Limited 5 Year Frame & Deck Shell Warranty

Ariens 3 YEAR LIMITED CONSUMER WARRANTY

Ariens 1 YEAR LIMITED COMMERCIAL WARRANTY

ZOOM® XL SERIES

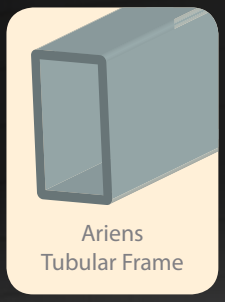
A legacy of quality craftsmanship you can trust.

Complete with your choice of a 42", 48", or 54" fully fabricated and welded deck, the Ariens Zoom XL tackles medium to large yards with ease and efficiency. A foot-operated deck lift makes it easy to adjust the cutting height from 1.5" to 4.5" in 1/2" increments to ensure the manicured landscape you strive for. Best of all, dependable performance is what you can expect with a Kohler 7000 series twin cylinder, OHV engine as the driving force behind this zero-turn.

MODEL OVERVIEW:

Zoom® XL	Model #	Kohler® 7000 Twin	Cutting Width	Ground Speed (Fwd/Rev)	Fuel Capacity
Zoom® XL 54	915173	24 HP/ 725 CC	54"	6.5 MPH/3 MPH	3.8 GAL. / 14.4 L
Zoom® XL 48	915165	22 HP/ 725 CC	48"	6.5 MPH/3 MPH	3.8 GAL. / 14.4 L
Zoom® XL 42	915163	20 HP/ 725 CC	42"	6.5 MPH/3 MPH	3.8 GAL. / 14.4 L

Fully Tubular Frame creates structural rigidity for superior strength and stability as compared to competitors c-channel frame.



Ariens
Tubular Frame

Competitors
C-Channel Frame

Control Arms can be adjusted in three directions to accommodate operators of different sizes. The handlebars also flip open providing quick, easy access to and from the operating position.

10-Gauge Fabricated Deck delivers an excellent cut quality along with a level of durability typically found in commercial mowers.

Hydro-Gear® ZT-2800 Series Transaxles create a smooth driving experience.

Foot-Operated Deck Lift allows the user to adjust the height of cut from 1.5" to 4.5" in ½" increments with a simple lever.

Approximate maximum speed of 6.5 mph forward and 3 mph reverse.

Kohler® 7000 Series twin cylinder, OHV engine provides perfectly matched power and performance with 20 to 24 hp.

Limited 5 Year Frame & Deck Shell Warranty

Ariens 3 YEAR LIMITED CONSUMER WARRANTY

ZOOM® SERIES

Designed and built to last generations.

Engineered for performance yet designed to suit the versatile needs of today's homeowner, the Ariens Zoom Series mower is ideal for small to mid sized lawns. Choose between a 34", 42", or 50" deck to meet your landscaping needs and preferences. Enjoy an unmatched level of operator comfort and user-friendly controls which reduce operator fatigue. Complete with robust components including a 12-gauge stamped XLerator™ deck and a foot-operated deck lift, this mower is designed to last for many years.

MODEL OVERVIEW:

Zoom®	Model #	Kohler® 7000 Twin	Briggs & Stratton® Twin	Cutting Width	Ground Speed (Fwd/Rev)	Fuel Capacity
Zoom® 50	915161	22 HP/725 CC	•	50"	6 MPH/3 MPH	2.0 GAL. / 7.5 L
Zoom® 42	915159	20 HP/725 CC	•	42"	6 MPH/3 MPH	2.0 GAL. / 7.5 L
Zoom® 34	915189	•	16 HP/656 CC	34"	6 MPH/3 MPH	2.0 GAL. / 7.5 L

Compact Design provides enhanced maneuverability. Featuring a 34" deck, the Zoom 34 easily moves through a standard 36" gate for quick, efficient mowing.

4-Point Deck Lift System provides superior deck stability that can be immediately felt once onboard.

Deck Washout Port provides a convenient way to keep the deck clean and maintain peak cutting performance. Keeping your yard beautiful *(Zoom 42" and Zoom 50" only)*

Operator comfort is enhanced with an **18" high-back seat** *(Zoom 42" and 50" models only)*

Foot-operated deck lift makes it easy to adjust the height of cut at a moment's notice with ½" increments ranging from 1.5" to 4.5".

12-Gauge, Stamped XLerator™ Deck is engineered to provide maximum air flow for an exceptional cut and long-lasting performance *(Zoom 42" and Zoom 50" models only)*

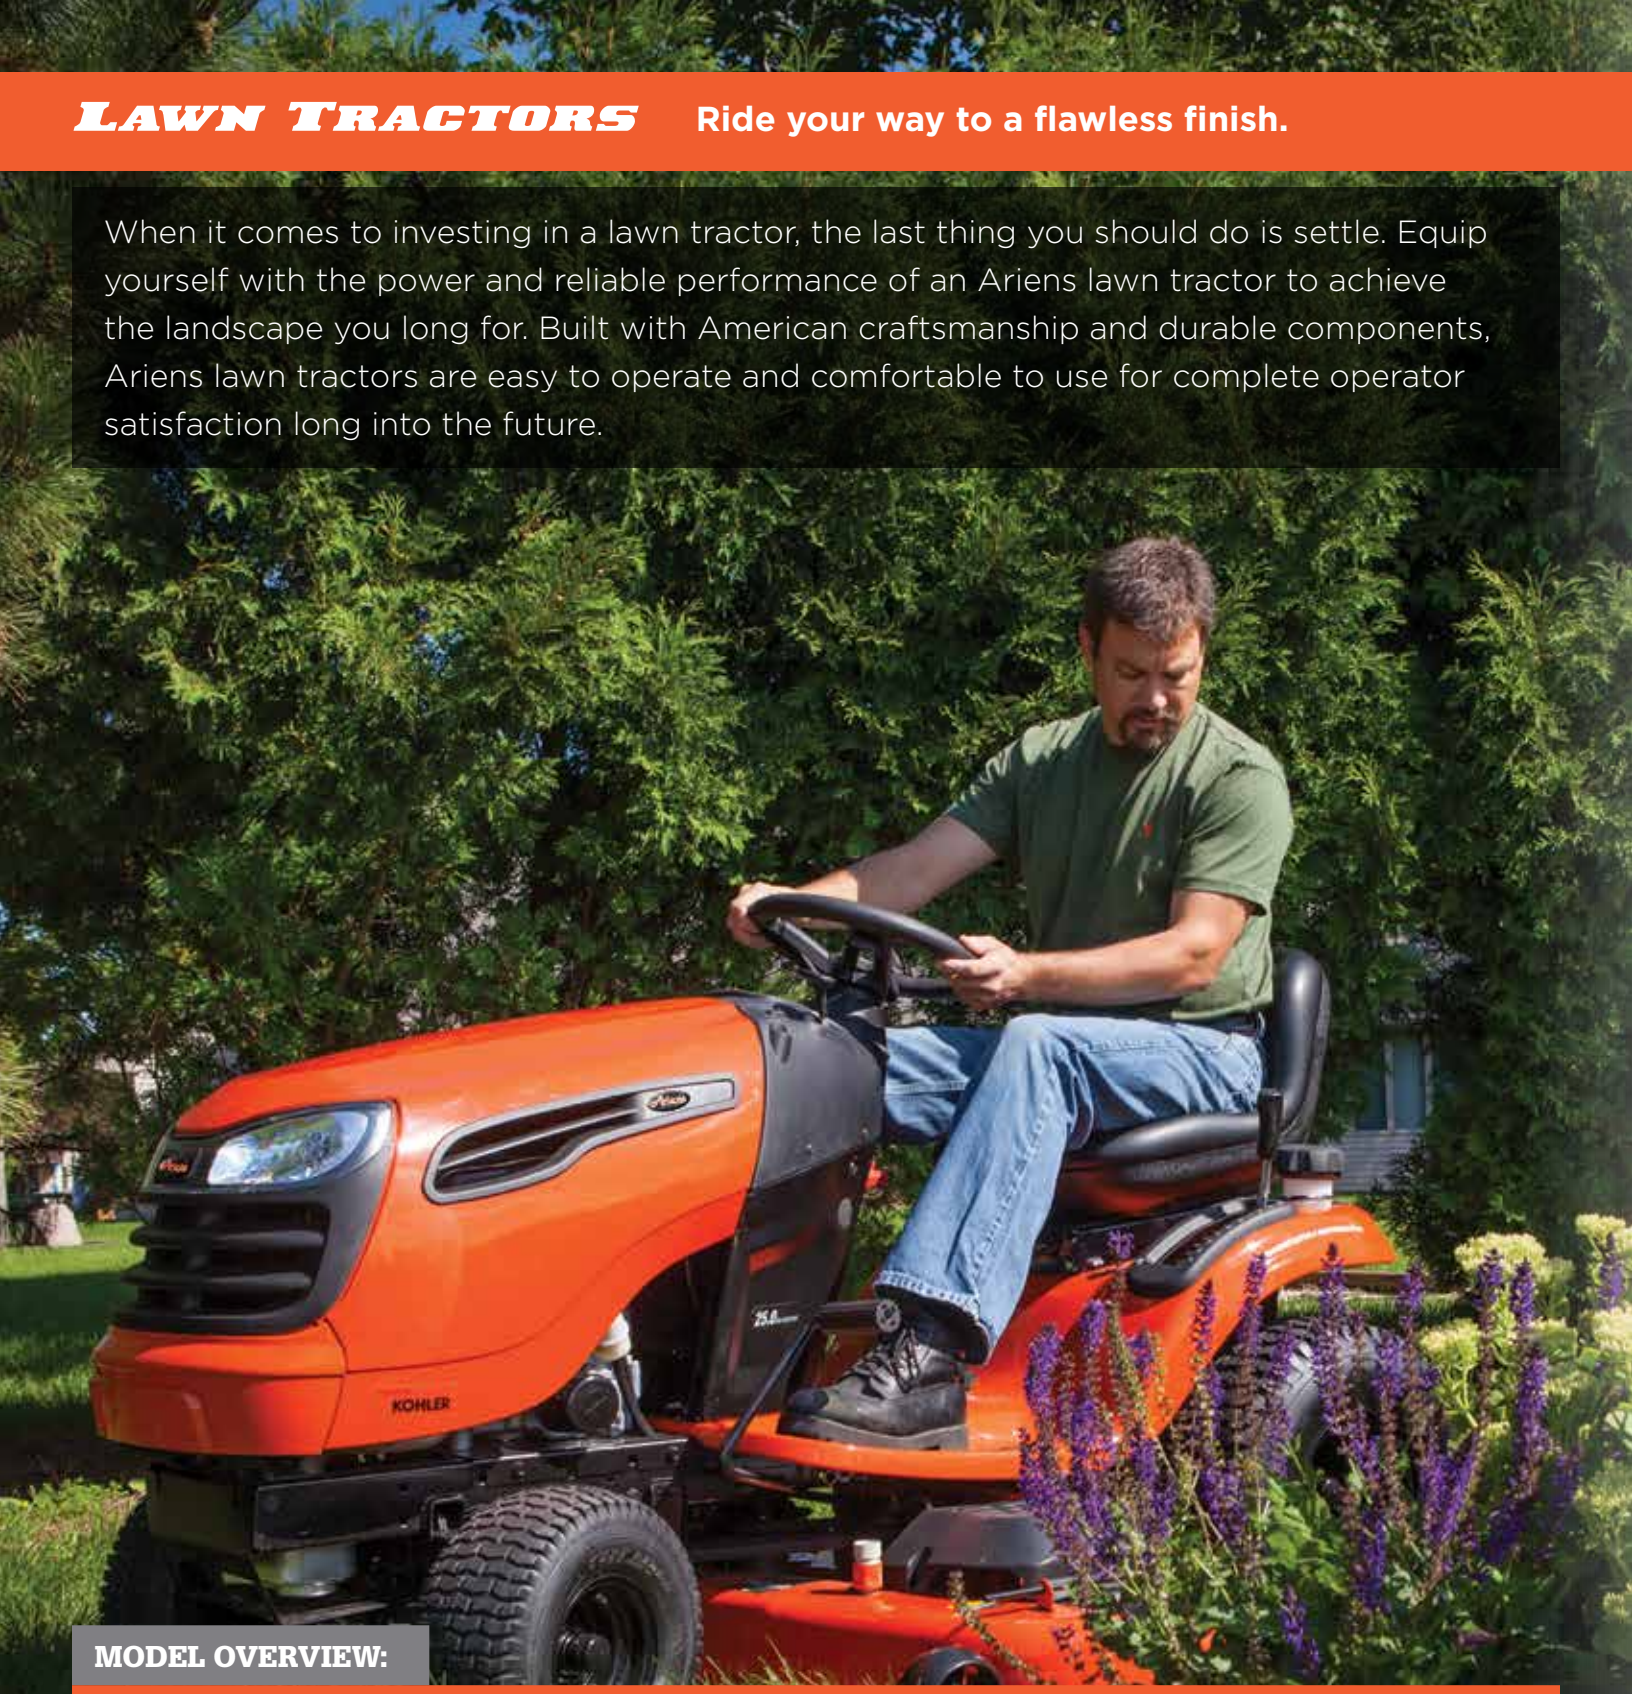
Limited 5 Year Frame & Deck Shell Warranty

Ariens 3 YEAR LIMITED CONSUMER WARRANTY

LAWN TRACTORS

Ride your way to a flawless finish.

When it comes to investing in a lawn tractor, the last thing you should do is settle. Equip yourself with the power and reliable performance of an Ariens lawn tractor to achieve the landscape you long for. Built with American craftsmanship and durable components, Ariens lawn tractors are easy to operate and comfortable to use for complete operator satisfaction long into the future.



MODEL OVERVIEW:

Tractors	Model #	Kohler® Courage Single	Kohler® 7000 Twin	Drive	Cutting Width	Turning Radius	Ground Speed (Fwd/Rev)	Fuel Capacity
Garden Tractor 54	936096	•	25 HP/725 CC	Hydro Foot Pedal	54"	10"	5.5 MPH/2.5 MPH	4 GAL. / 15.2 L
Lawn Tractor 54	936097	•	25 HP/725 CC	Hydro Foot Pedal	54"	10"	5.5 MPH/2.5 MPH	3 GAL. / 11.4 L
Lawn Tractor 48	936098	•	22 HP/725 CC	Hydro Foot Pedal	48"	10"	5.5 MPH/2.5 MPH	3 GAL. / 11.4 L
Lawn Tractor 46	936099	•	22 HP/725 CC	Hydro Foot Pedal	46"	10"	5.5 MPH/2.5 MPH	2.5 GAL. / 9.5 L
Lawn Tractor 20/42	936100	20 HP/597 CC	•	Hydro Foot Pedal	42"	10"	5.5 MPH/2.5 MPH	2.5 GAL. / 9.5 L
Lawn Tractor 17/42	936101	17 HP/597 CC	•	6 Speed Gear Drive	42"	16"	5.5 MPH/2.5 MPH	1.5 GAL. / 5.6 L

Cast iron front axle provides the durability and strength required to support front end attachments and overcome rough terrain.

Fingertip activated **electric PTO** for smooth deck engagement

Hydro-Static foot pedal drive system with cruise control allows for easy and smooth speed adjustment allowing you to set your own pace while mowing. *(Not available on Lawn Tractor 17/42)*

Kohler® single and twin cylinder engines provide power and performance from a name you can trust. Choose the engine best suited to meet your needs and preferences with robust engine options ranging from 17 hp to 25 hp.

Powered by KOHLER ENGINES

Operator comfort is ensured with an **angled steering wheel** and a 15" high-back seat that can be moved forward or back to accommodate operators of varying heights.

Easy-to-use levers and controls make mowing a breeze while a wide step through design allows for easy access to and from the operating position.

Forward ground speed of 5.5 mph and 2.5 mph in reverse cut down on mowing time.

Industry leading 10" turning radius for optimum maneuverability and navigation around trees, flower beds and other obstacles. *(Not available on Lawn Tractor 17/42)*

Wide selection of available attachments including a snow blade, snow thrower, snow cab, dozer blade, scoop, cultivators and more. *(some attachments are not available for every model)*

Ariens 2 YEAR LIMITED CONSUMER WARRANTY

Baggers, Attachments & Accessories

Get the

Large capacity baggers simplify clean-up of leaves, debris and grass clippings for quick, efficient landscape perfection. Other available attachments and accessories allow users to get the most out of their unit all-year long. The same demanding standards for high-quality American craftsmanship assures you versatile attachments are designed to provide lasting performance you can rely on for generations to come.

3-BAG POWERED BAGGER:

- 9-bushel capacity
- Heavy-duty cloth bags
- High output grass pump
- Easy deck mount spindle-driven fan
- Compatible with Zoom XL and Max Zoom series

NON-POWERED BAGGER:

- 6-bushel capacity
- Geometric shape generates increased air/grass velocity
- Power result without a grass pump assist
- Compatible with Zoom series

48" TOW PLUG AERATOR

- Opens soil to water, air, and nutrients for improved root growth and overall lawn health.
- 48" weight tray holds up to 175 lbs. for greater soil penetration.
- All eight aerator knife spools are galvanized to resist rust.
- 10" X 4" pneumatic tires foster smooth transport

36" POLY ROLLER

- Provides versatility that can be utilized for multiple applications around the yard such as packing down new seed or leveling uneven ground.
- Lightweight when empty for easy transport and storage.
- Poly construction for rust resistance.
- 18" diameter X 36" wide

◀ CONVERTIBLE DUMP CART

- Versatile cart that's perfect for accomplishing numerous chores including hauling debris, mulch, tools, and more!
- Converts easily to function as a tow or push cart
- 500 lb. capacity for heavy loads
- 30.5" X 4" X 11" bed size
- Durable poly construction means the cart is easy to clean and rust resistant
- Large pneumatic tires make it easy to maneuver

Every Ariens Chore and Finishing product comes supported by warranties you can feel confident in. And best of all, each product is easy to operate and maintain for years of reliable performance. Create the landscape you want at a price you can afford with Ariens dependable Chore and Finishing products.

Hydro Brush 36
Ariens

Power Brushes

Ariens multi-functional, all-season Power Brushes are capable of removing snow up to 6" deep along with other debris including sand, dirt, and gravel from sidewalks, driveways, and decorative surfaces such as patio brick or cobblestone. It's also excellent for removing gravel from lawns and dethatching.

FEATURES:

Hydrostatic drive has **infinitely variable speed** selection, maintenance-free operation, and robust design for long-life and dependability. *(available on model 926515 only)*

Automatic traction control optimizes maneuverability for effortless steering

Handwarmers keep hands toasty despite frigid winter temperatures *(available on model 926515 only)*

Available with 28" or 36" wide brushes

All-season Subaru® engine with electric start for optimal performance in all weather conditions *(12V key start on 926515)*

40-degree brush head rotation with an operator controlled pivot lock makes changing the brush head direction simple

Height adjustment system accommodates various surfaces while reducing brush wear and tear

Pressure Washers

FEATURES: 3000 & 3300 PSI

- 169 - 211cc Subaru® 4 Cycle OHV Engine with idle-down automatically adjusts the power output to save fuel
- 2.6 – 3.0 GPM Professional Grade CAT Pump with ceramic plungers
- Professional-Grade Quick-Connect - 0°, 15°, 25°, 40°short and long range soap nozzles offer washing versatility *(15°is not included on 3000 psi model)*
- 30 ft. hose - Steel braided on 3300 PSI model and Powerflex on 3000 PSI model
- 12" NEVER FLAT tires maneuver easily on rough terrain *(Foam filled on 3300 psi model, plastic rim on 3000 psi model)*

FEATURES: 2800 PSI

- Maintenance Free 2.5 GPM Axial Cam Pump
- Powerful 208cc Ariens AX Engine
- Precision – 0, 25, 40-degree and short and long range soap nozzles included
- Wheel barrow frame with quick release handle
- 10" Steel Rim Never Flat Wheels
- 25' Non-Marring M22 High Pressure Hose

Precision Tillers

Eliminate pesky weeds and cultivate nutrient rich soil with an Ariens Precision Tiller. Choose from a rear or front tine model to suit your individual garden size and needs.

REAR TINE

FEATURES:

- Chain drive transmission provides superior torque
- 17" tilling width
- 6.5" tilling depth
- Handlebar adjusts to suit operators of various heights
- Dual rotating tines for forward or reverse travel

FRONT TINE

FEATURES:

- Chain drive transmission for superior torque
- 12", 22", and 24" tilling widths
- Heat treated tines for long-lasting durability
- 6" tilling depth
- Folding handlebars for quick, easy storage
- Adjustable rubber wheels and depth stake

GENERATORS

Whether you're tailgating, camping, on the jobsite, or searching for peace of mind in the event of an emergency or power outage, Ariens has your back with a lineup of dependable generators.

FEATURES:

2000i Inverter

- 2,000 starting watts and 1,600 running watts
- Powerful 79 cc Ariens engine
- Provides clean power that's safe for sensitive electronics such as computers, televisions, and cell phones
- Electronic Smart Control matches power output to the load requirement to optimize fuel consumption and reduce noise
- 1.1 gal. fuel capacity for up to 9.7 hours of operation with a 25% load
- Lightweight and easy to transport at just 46 lbs.
- 2 – 120V, 20 amp outlets and 1 - 12V DC outlet

5000 Watt Generator

- 6,250 starting watts and 5,000 running watts
- Powerful 287 cc Subaru® engine
- 6 gal. fuel capacity for up to 12.5 hrs. of operation with a 50% load
- 4 – 120V outlets, 1-240V 30 A outlet with circuit breaker protection
- Automatic voltage regulator for clean, efficient operation

7500 Watt Generator

- 9,375 starting watts and 7,500 running watts
- Powerful 390 cc Honda GX Engine with electric start
- 8 gal. fuel capacity provides up to 12 hrs. of power with a 50% load
- 4 – 120V outlets, 1 – 240V 30 A outlet with circuit breaker protection
- Automatic voltage regulator drives clean, efficient operation
- Analog hour meter allows the user to easily track time between regular maintenance

3 YEAR LIMITED CONSUMER WARRANTY

String Trimmer

FEATURES:

Kohler® OHV XT engine is low-maintenance and runs quiet

15-degree reinforced steel pivoting head and 14-gauge stamped deck provide long-lasting functionality and durability

4-position cutting height adjustment tackles grass and weeds of varying length with ease

Ergonomic, multi-position handlebar folds up for convenient storage

Deck swivels 15-degrees left and right for precise trimming along walls and fences

Edger

FEATURES:

- Laterally adjustable front wheel for trimming
- 4-point cutting height adjustment
- All-steel design ensures strength and durability
- Curb hop feature allows the right rear wheel to adjust vertically for edging along curbs
- Robust, ergonomic T-handle optimizes operator comfort and control

Log Splitter

Centrally-located controls and an open operating zone allows users to work from either side of an Ariens Log Splitter reducing operator fatigue and conserving energy while dividing work time in half.

FEATURES:

Choose from **3 available models** to suit your needs and preferences — 22, 27, or 34-ton.

Powerful Subaru® engines perform efficiently with minimal noise and emissions

Horizontal and vertical splitting positions provide flexibility for splitting large, heavy logs

Integrated log cradle prevents logs from falling to the ground

3 YEAR LIMITED CONSUMER WARRANTY

Cast iron hydraulic pumps, high temperature return line hoses, and industrial couplings mean each unit is built to last

A tapered wedge design requires less tonnage while splitting logs faster and more efficiently

Centrally located controls and an open operating zone allow for operation from both sides of the machine. The operator doesn't have to step around a wheel/fender when they load and unload logs.

All-Purpose Vac

Easily collect litter, leaves, dirt, and other debris with a high-powered all-purpose Vac.

FEATURES:

- Robust **Subaru® 190cc** overhead cam engine
- **Push/self-propelled** drive system
- **1775 cfm** of suction power
- Durable **12-gauge steel fan** housing
- Generous **31-inch clearing** width
- **6 cu ft. /43 gal.** collection capacity
- **Large 14-inch solid rubber wheels** provide maneuverability
- Easy to empty, **zipperless wire formed bag**

Ariens 3 YEAR LIMITED CONSUMER WARRANTY

Rite-Hite Handlebar™ provides 5 operating positions for a comfortable working experience

13.5-inch steel, 5-blade impeller with serrated edges reduces debris

Suction height adjustment with 17 positions ranging from 0 to 5"

KOHLER®
7000 SERIES™ 20-26 HP

KOHLER® Engines

A V-TWIN BEAST FOR WEEKEND WARRIORS

Want an engine as durable and fully loaded as the pros? Now you've got it with the KOHLER. air-cooled, V-twin 7000 Series. engine. Power up your tractor or ZTR and run rings around your neighbors with pro-grade features, easy starts, durable components and powerful cuts.

JUST TURN THE KEY AND GO

- No need to manually adjust the throttle or choke.
- Optional Smart-Choke. (based on OEM) makes starting easy – just turn the key and go.
- High-torque inertia drive starter with extra-large output for quick, reliable starting.

BUILT TO LAST

- Dual-seal air filter keeps debris out of the engine.
- Cast iron cylinder bores protect under dirty conditions.
- Pressure lubrication extends engine life.

SUPERIOR CUTS

- Consistent-Cut. technology provides more consistent power to your deck to help you get the perfect cut.

PRO-GRADE PERFORMANCE

- Optional PRO Performance air, oil and fuel filters deliver maximum performance.
- Top models feature more power through higher displacement* and variable-speed ignition.**

EASY MAINTENANCE

- Easy-access air filter allows for quick inspection and maintenance.
- Highlighted service points on same side of engine for convenient servicing.

*Model KT745.
**Models KT740 and KT745.
